In 2022, Bushra Amir took the leap into the world of makeup artistry, driven by her love for makeup and a desire to bring out the beauty in others. Beyond just enhancing her own features, she finds joy in making others feel confident and glamorous.

Review from a Client

"Bushra is an incredible make-up artist! Not only does she excel at her craft, but she's also incredibly friendly and professional. The makeup she did for me was absolutely amazing. I couldn't have been happier with the final look. Thank you, Bushra, for the fantastic makeup!"

"Transforming faces with a touch of artistry, one brush stroke at a time, spreading beauty and confidence wherever I go!" says Bushra.

When she's not perfecting her makeup skills, Bushra is a devoted pet lover, finding comfort in the company of her furry friends. Her compassionate nature shines through in her interactions with animals, adding depth to her character.

Having worked with around 50 clients to date, Bushra's journey began with formal training under a renowned makeup artist in Kolkata. Her dedication to her craft and passion for making people feel their best are evident in every brush stroke.
