# KRESKO – 100% NATURAL

## SKIN & HAIR CARE PRODUCTS

KRESKO

**Karishma Malhotra**, Founder of **Kresko** says "My daughter's stagnant hair growth, breakage and roughness is what became my first stepping stone towards Kresko."

Malhotra is a self-motivated and a highly professional woman entrepreneur dealing in homemade skin and hair care products for all age groups. She, being an extremely hardworking lady, makes all Kresko products herself at home. From the purchase of raw materials, preparation, packaging and distribution is all done by her.

Kresko, founded in mid 2020, has not only solved her daughter's hair and skin issues but did wonders on many other ladies. "Every woman suffers from some issue or the other, and chemicals are harming. So, if Kresko can help fix all the problems naturally, then why not?"

Karishma's clientele is not restricted to the city or the nation, it has gone worldwide which has motivated her towards further success.

"I know all my products are 100% natural and made with love" says Malhotra.

# An Enthusiast Baker-Mother Saima Siraj

Saima Siraj, an enthusiast Baker-Mother founded 'The Cake Zone' in 2018. She says that her motivation towards this venture is solo foreign trips and to have a house of her own. Not only this, she is very much keen and motivated to help the poor and support them grown.

Siraj is one of the best bakers in town with some masterpiece cakes. Despite a lot of challenges like household work, managing children, living in a joint family, she takes out time to fulfil her passion and desire of being the best baker in the City of Joy.

Saima has judged many small to medium baking events in Kolkata and is well known in the baking industr

It's said 'Behind every successful man, there's a woman.' But Saima has a list of men and women, both, behind her success. She is grateful to her father for being her constant support. Her sisters and brothers-in-law for trusting her. Her parents-in-law. And most of all, the man without whom a wife can never be happy even if she is successful, her husband.

To know more about Saima Siraj, reach out to her on 9883313238

SUPER WOMANPRENEURS

Super Womanpreneurs is a Facebook group, founded by Atoofa Khushnood, owner of Startup Idols – Digital Marketing Company and Clothing Clone – The Fashion Hub. The group is created to help small to medium women entrepreneurs grow and build connections. Super Womanpreneurs organizes many activities that help in promoting individual brands and gain customers. Often contests and competitions are organized by the group, especially for women. Every week, women get a chance to win amazing gifts by participating in challenges and contests.

Super Womanpreneurs is solely founded with a purpose to 'Grow Together'.

WhatsApp 8017646124 to know more about Super Womanpreneurs and join the group.
